About Jersey Cares

More than just an article of clothing, your coat can open opportunities for someone who needs one. You can enable a job-seeker to continue his search during the winter. You can enable a student to focus on her studies in a cold classroom. Or you can help a senior go out for medication in a storm. What to you is a coat hanging in the back of your closet can be a life-changing support for someone in need.

Jersey Cares plans to collect and distribute more than 30,000 “gently used” winter coats to men, women and children in need throughout New Jersey. Over the past twenty one years, Jersey Cares has collected, sorted and distributed more than 500,000 coats for New Jersey residents through their annual coat drive.
