From Gretchen Carlson:

I am gratified that 21st Century Fox took decisive action after I filed my Complaint. I'm ready to move on to the next chapter of my life in which I will redouble my efforts to empower women in the workplace. I want to thank all the brave women who came forward to tell their own stories and the many people across the country who embraced and supported me in their #StandWithGretchen. All women deserve a dignified and respectful workplace.
